Instructions for Authors

Submitted papers must be original, unpublished, and not submitted to other conferences or journals for consideration for publication. Papers must be written in English and be fully anonymous with no author names, affiliations, acknowledgements, or obvious references. They should be at most 16 pages long in total (including bibliography and appendices), in the standard LNCS format (except for author names and affiliations). Submissions to IWSEC 2014 should be submitted electronically in PDF format. A detailed description of the electronic submission procedure will be available at the workshop website. Submissions not meeting the submission guidelines risk rejection without consideration of their merits. At least one author of each accepted paper is required to register with the workshop and present the paper.

Proceedings

Proceedings will be published in Springer-Verlag's Lecture Notes in Computer Science series.

Best Paper Awards

Prizes will be awarded to the authors of the best paper(s) and the best student paper(s).

Poster Session

IWSEC2014 will have a poster session. Call for Posters will be opened soon.
