This year, the 15th International Workshop on Security (IWSEC 2020) calls for posters that focus on any relevant topic of the workshop. Posters should present on-going study, idea or project that is not mature yet, and interesting as work in progress. Student projects (Bachelor, Master or PhD) and related studies are also welcome. This year IWSEC poster session will be held online due to COVID-19. We will provide 1MB size space for each poster on the communication tool *Slack* (<https://slack.com>). For the questions and answers, Slack will be used.

2. Important Dates

- Submission deadline: August 20, 2020, 23:59 (UTC)

3. Publication Policy for Posters

Posters will be formally included in the program of IWSEC 2020. The list of accepted posters will be available through the workshop web page.
