

PLEASE USE THE OSAKA COVID-19 TRACING SYSTEM

WHAT IS IT?

- ✓ This system aims to prevent COVID-19 from spreading.
- ✓ All people are requested to scan the QR code and register their e-mail address when visiting a facility.
- ✓ You will receive an alert e-mail if a person who used the same facility on the same day as you did is tested positive.
- ✓ In the case you are tested positive, please contact the Osaka Prefectural Government to inform your registered e-mail address and date of infection etc. An alert e-mail will be sent to other registered users.

ONLY 3 STEPS REQUIRED

SCAN the QR code

ENTER your e-mail address

CHECK for a confirmation e-mail

※In the case you don't receive a confirmation e-mail, you might not be registered. Please follow the steps again.

Cautions

- * An e-mail address is the only information needed for registration.
- * You need to scan the QR code and register every time you visit a place.
- * Collected information is safely managed by the Osaka Prefectural Government and shall not be used for any purposes other than this system.
